**To:** Peter Labonte, Ascensions Group LLC

**Date:** May 7, 2023

**Subject:** East Ocean View Community Garden

At the general membership meeting on May 4, 2023 the East Ocean View Civic considered a motion to support changes to the Community Garden located at the corner of 18th Bay Street and Pleasant Avenue. The civic league reviewed a proposal submitted by the Ascensions Group LLC and voted to support [Plan 1: Landscaping Only \(slides 1-13\)](#) as summarized below:

- The land shall remain under ownership of the city and the park should be open to all community members
- Ascensions Group LLC will provide all labor, materials, and funding for the project
- The civic league will continue to pay the monthly electricity bill for the pole light to illuminate the space at night

Community members are excited to see this space reinvigorated and appreciate the work of the Ascensions Group towards this goal.

A handwritten signature in blue ink, appearing to read "S Chamberlin".

Steve Chamberlin
