Subject: Dedication of Gym at East Ocean View Recreation Center

At the general membership meeting on May 4, 2023 the East Ocean View Civic considered a motion to support the naming of the gymnasium at the East Ocean View Recreation Center in memory of Pastor Ken Gerry. The civic league had some debate on whether or not to include "Pastor" as part of the naming and the motion to support naming the gymnasium after "Ken Gerry" passed unanimously.

The East Ocean View Civic League is proud to support this memorial to Pastor Ken Gerry in remembrance of his dedication to the East Ocean View Community.

A handwritten signature in black ink, appearing to read "S. Chamberlin".
